**Instructions:** *Please take the time to read your participant's report and answer the questions below. For best results, read your report once all the way through and then put it away for 24-48 hours. After that break, pull your report out and read it again cover to cover and set it down for another 24-48 hours. Finally, pull your report out for the third time and read it again focusing on the influential traits section beginning on page 21. Take some notes and answer the questions below.*

1.) Describe your overall thoughts and/or feelings regarding your Winslow Assessment results thus far.

2.) According to your Winslow Assessment, what are your top 3 traits that serve as strengths? In your opinion, how do these strengths impact you in your professional and/or personal life? Explain.

A.

B.

C.

3.) According to your Winslow Assessment, what are your top 3 trait weaknesses? In your opinion, how do these weaknesses impact you in your professional and/or personal life? Explain.

A.

B.

C.

4.) Select the 3 traits that you feel hold you back from performing your best in your professional and/or your personal life. Create a development plan below. Be specific by including the following: What is your outcome? How will you achieve it? Who will you involve in the attainment? When do you want to achieve it?

Outcome:

3 Traits:

Strategy or Process for implementation:
